### Annie's Words of Gratitude

It has been a truly life changing experience going through SBCC's nursing program. I am honored to receive this award and beyond grateful for the nursing faculty's efforts to support this program and maintain student success. The biggest thank you goes to my husband for partnering alongside me during this journey and to my family for always supporting me and being my biggest cheerleaders. I couldn't have done it without their encouragement. Thank you SBCC, it has been a wonderful and wild journey.
