

EOPS - Adolfo Corral Award

Randy Smith

Submitted by The EOPS Team

Randy Smith demonstrates the true essence of the Adolfo Corral award- someone who is readily available to help others, especially when times are tough. As a Construction Technology major, Randy has excelled academically including three recognitions on the President's Honor Roll. Even then, he still finds the time to contribute his kindness and passion for creating welcoming spaces amongst the SBCC campus community.

Randy has been actively involved with EOPS, The EOPS Club, The Food Pantry, and the Office of Equity, Diversity, and Cultural Competency. Randy flourishes when helping those around him and is someone who is constantly contributing to the success of others. Randy is someone who is willing, helpful, and someone who people admire. Everyone who has met or interacted with Randy has shared that he is one of the kindest and most generous individuals you will meet at SBCC! If you meet Randy you have earned a friend for life! If there is someone that walks around campus looking busy and saying "hi" to everyone and similar to Adolfo, that would be Randy. Thank you Randy for all of your contributions to EOPS, and the broader SBCC campus community! Congratulations on this important award!
